Mountain View Seniors' Housing PR Briefs

Mountain View Seniors' Housing (MVSH) launches a new and improved website. Our redesigned site has a streamlined look and better functionality, including adjustable font size – so visitors can quickly and easily find the information, resources or contacts they're looking for.

MVSH Administration Office move planned for spring 2013. The MVSH Board has approved a move of its Administration Offices from its current location in Didsbury, Alberta to Olds, Alberta. The new offices will be housed in the new Mountain View Credit Union building, currently under construction and scheduled for completion in spring 2013.

MVSH Lodges to begin accepting applications from non low-income residents. The MVSH Board has authorized up to 25% capacity for non low-income residents. Applications will be accepted starting March 1, 2012.

Mount View Lodge (MVL) backup generator successfully kicks into action. Our contingency plan proved itself last week during an unexpected 15-minute power outage at the MVL Lodge in Olds. Our new backup generator immediately started to support our new Lodge during this brief but important interval. In other related good news, we will receive grant funds to reimburse more than 90% of the cost of this backup generator.
