Mountain View Seniors' Housing (MVSH) and Norquest College Partnership Proud to Announce Successful Program Completion

We are proud to announce the successful completion of the Health Care Aide (HCA) Education Program in Sundre. The program, a partnership between Norquest College and Mountain View Seniors' Housing, began on October 20, 2015 and concludes on June 24, 2016 with 13 potential graduates.

With the opening of the Sundre Seniors' Supportive Living Facility in June 2016, a larger facility, higher care levels and more than double the number of suites that the Foothills Lodge currently has, more employees will be required to staff the new facility.

"MVSH is pleased to have supported this local educational opportunity in partnership with Norquest. Adding to the local pool of talented, trained and skilled Health Care Aides is exciting for both MVSH and Mountain View County" says Kristi Gingrich, MVSH Director of Human Resources.

The new facility houses 104 suites with a variety of care levels including 46 level one and two supportive living lodge suites, 40 level four and level four dementia supportive living (24/7) care suites as well as 18 independent living suites.
