

Mountain View Seniors' Housing

Mountain View Seniors' Housing is a non-profit organization committed to enhancing the lives of seniors in our community.

We operate seniors' lodges, seniors' self-contained apartments and subsidized family housing, striving to provide the highest level of service and support in friendly, home-like environments.

Delivering on this promise involves the efforts of caring and skilled employees, a dedicated board and administrative team and the support of our community. Volunteers are one of the most important segments of our community and they play an important role in helping our residents feel good about living in our facilities.

It feels great to get involved! Read on for details on how you can make a difference in our seniors' lives.

Volunteering

Volunteers make a difference. As a volunteer, you can help us meet our high standards of care by enhancing the lives of our local seniors.

Volunteering is a win-win opportunity: our seniors benefit from the actions of caring volunteers and volunteers themselves reap the benefits of meeting new people, learning from local seniors, doing meaningful, rewarding work and challenging themselves.

There are many ways to get involved! We're happy to help you find an area of interest and level of commitment that fits your lifestyle and availability.
