Mountain View Seniors' Housing is a non-profit organization committed to enhancing the lives of seniors in our community. We operate seniors' lodges, seniors' self-contained apartments and subsidized family housing, striving to provide the highest level of service and support in friendly, home-like environments.

### **MVL Life Lease Suites**

The Life Lease Project at MVL Olds commenced construction in June 2012 to provide 12 Life Lease Suites. The Project was constructed and financed on a business-case basis without any Government funding and is attached to the new Lodge – housing 77 residents – completed one year earlier. The Project was completed on time, on budget and as per original design.

The first Life Lease tenants were welcomed into their new suites on June 25 and at present, over half of the suites are sold with expectations that the remaining suites will be sold before fall.
